## Biscom Announces Patent Assignment Agreement with Canon, Inc.

Wednesday July 18, 9:17 am ET

CHELMSFORD, Mass.--(BUSINESS WIRE)--Biscom Inc., a leading provider of enterprise fax and managed file transfer solutions, today announced a patent assignment agreement with Canon, Inc., a Fortune Global 500 company.

ADVERTISEMENT

The assignment agreement covers patents which reference a "communications device with remote device identifier recognition and transmission in accordance with the recognized identifier." The intellectual property within these patents combines fax transmission and email delivery in a single communications device.

Biscom was founded in 1986 and pioneered the fax server marketplace, providing many of the world's largest organizations with its award-winning FAXCOM fax

servers. In addition to enterprise fax server products, Biscom also offers hosted fax services, secure file transfer and messaging solutions, file conversion software, and document workflow and automation tools. The company is headquartered in Chelmsford, Massachusetts.
